			SPOTET/COUTROL/US OFFICIALS CHAV	25
			2	25X
		5.	Clearings for six new low wooden buildings were observed in forest district No 70 at the intersection of the lanes dividing forest districts 70/69 and 60/59.	25X
25X1		. [the erection of Li new quarters was planned. (5) After darkness the bumb dump at the field was illuminated. A German fire truck was assigned to the fire brigade stationed at the field.	
25X1 25X1		6.	From 1 to 2 p. m. on 24 January, a jet bomber took off from the east- wast runway every ten minutes. The planes landed at intervals of about 10	25X
0EV4			minutes. The planes used about 50 percent of the length of the runway for their take-offs. (6) Visibility on that day]25X
25X1		H	was limited to about 3 km.	25X ⁻
25X1		7.	Between 8 and 8:20 a. m. on 30 January, 20 jet bombers which were covered with tar- paulins, parked in rows of four or five planes south of the middle of the rmway between the runway and the circular taxiway. Some of the aircraft	ے 25X
			were being refueled. The first jet bombers took off shortly before 9 a. m. The jet bombers which landed between 3:30 and hp. m.	25X L _{25X}
25X1 25X1			oach of the parked bombers. (7) The weather was clear and visibility was limited to about 1.5 to 2 km.]]25X
		8.	Between 11 a. m. and noon on 31 January, 20 jet bombors were at the field	a=
			as on the previous day. The tarpaulins were removed from some of the plane From all of them the protective covers which apparently were of light metal were removed and placed beside the aircraft. The front side of the covers was red. There was no flying.	
25X1				
		(1)	Drand airfield is occupied by the jet benber regiment, which moved there from Pranienburg in December 1951. According to available information, 27 type-27 or type-30 aircraft, some Po-2s and some Yak-lls are stationed	
		(2)	there.	25X
		(3)	with the bomber regiment in Werneuchen, are also stationed in Brand.	25X
25X1	. ((4)	However, information to this effect has not been received.	25X]
	. ((5)	The plan to construct these buildings was previously reported. For location of the forest districts mentioned, see map GSGS hall, Sheet No 3948.] ⁿ 25X
25X1		(6)	unloaded jet bombers require a ground take-off run of about 1,000 neters.	25X
		(7)
